

The Critics Speak for The Road to Hollywood

“Its not every day we get to listen to someone speak that has earned success in an industry as intriguing and competitive as the entertainment industry.”

Brad Kellum, Senior design major

“This is all so interesting to me as I never would have thought of working in the entertainment business and never expected to hear what I did about how accounting fits into it.”

Amber Chutz, Junior accounting major

“Because of you, my dream is becoming more and more of a reality as the days go by and I just wanted to personally thank you for that.”

Kelly Woods, Senior Theater major

“Your lecture was very inspiring and informative. Your distribution of the call sheet and the contact list was so thoughtful.”

Ragu J. Murugesan, Graduate student in Electrical Engineering

“Thank you for investing your time in the lives of young students. You gave me a better understanding of the entertainment business, and a hope for a future in it. You have changed my life.”

Logan Walcher, Undecided Freshman

“I think the students got a great deal of benefit out of what you had to say. I know as an academic counselor I did as well. “

Kevin Seymour, Academic Counselor Oklahoma State University
